

Uploading a Video to Youtube

1. Log in to Youtube (Google, Gmail)

2. Click Upload

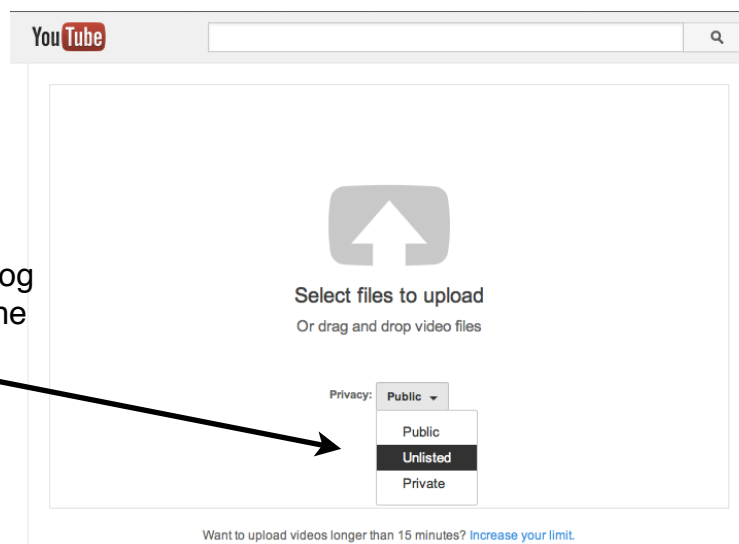

3. The **first time** you'll need to create a channel and you'll see this screen. Fill in your name, gender, and birthday.

A screenshot of the 'Set up your channel and begin uploading to YouTube' screen. The page is divided into two main sections: 'How you'll appear' and 'What you'll get'. Under 'How you'll appear', there is a profile picture placeholder with an 'Add photo' button, input fields for 'First name' and 'Last name', a 'Gender' dropdown menu, and a 'Birthday' section with 'Month', 'Day', and 'Year' dropdowns. A checkbox is checked, stating 'Google may use my account information to personalize +1s on content and ads on non-Google web sites.' At the bottom are 'Cancel' and 'Continue to upload' buttons. An arrow points to the 'Continue to upload' button.

4. For more privacy, you may want to turn this off.

5. click Continue to upload

6. In the Select Files dialog box, pick Unlisted from the drop down menu

7. Then either drag the file to the box or click on the box to choose the file.
